

STANDING POLICY COMMITTEE ON INFRASTRUCTURE RENEWAL AND PUBLIC WORKS

JANUARY 16, 2015

DISPOSITION OF ITEMS

...

5 Canada Post Mail Box Installations

The Standing Policy Committee on Infrastructure Renewal and Public Works concurred in the Council Motion of December 10, 2014 and recommended to Council:

1. That the Winnipeg Public Service establish a definition for Canada Post's community mail box installations as property that is adjacent to the public boulevard and define the property owners responsibilities regarding the adjacent public property in the relevant by-law and policies and;
2. That the Winnipeg Public Service create a protocol and amend any policy or bylaw to install no parking / loading zones on roadways adjacent to community mailboxes, to be paid for by Canada Post to make their property and service accessible to the users and;
3. That the Winnipeg Public Service clarify the responsibility of Canada Post to clear any snow windrows around community mail box installations, in the same manner home owners must do with any snow windrows that block their walkway to the street.
4. That the Winnipeg Public Service report back to the Standing Committee in 120 days.
5. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.
