**SPRING
CLEANING?
GOT
GLASSES?**

Do you or someone you know have any old eyeglasses laying around collecting dust? Are they just clutter in your home and taking up space? Why not donate them to a great cause and support those in our community that cannot afford the luxuries we have!

CLERC – Canadian Lions Eyeglass Recycling Centre is an organization and partner of Lions Banks International that is looking for donations of prescription eyeglasses, prescription sunglasses and reading glasses to help distribute to those who simply cannot afford to buy a pair. A wonderful organization helping others to see.

All glasses of all shapes, sizes, Rx and conditions are accepted. Even glasses that are damaged or broken will be repurposed and upcycled to create the gift of sight for someone in need. You can leave them in their case or just donate them without their case. Help someone receive the gift of sight – something that many of us may take for granted each and every day!

To donate your glasses, please give them to a shop steward, member of the executive or drop by the local office. The Local will have the glasses picked up at the end of May 2016. Ask your friends and family for their help, too!
