COLLECTION/DELIVERY CONSULTATION

Do you have any questions or concerns at your depot that you would like to bring up with the employer? The next consultation is on April 1st. You are the executive's eyes and ears on the floor and need to have input. Please email vicepresident@cupwwpg.ca

COMP TIME CARRYOVER

Have you checked your comp time recently? You have until March 31, 2026 to carry over up to a maximum of 40 hours. If you don't, it will be paid out on pay period #10, May 7, 2026.

You might be missing important updates. Contact the local and subscribe to our emailing list either by phone or email sectreas@cupwwpg.ca

BILLY BRAGG AT FOLK FEST

Ever heard the song "There is Power in a Union"? Well, you can hear it from Billy himself on July 12, 2026. Pack your Tommy Bahama chair, sunscreen, and grab a freshly squeezed lemonade over at Bird's Hill Park for some union friendly tunes.

POCUR ROUTE EDITS

This one is for the carriers. Have you noticed that your edits on POCUR haven't been implemented? These changes are only pushed to the Supervisor when you have LOGGED OUT of the POCUR app. Logging out of the PDT does not submit these changes to management.

CRAFT DAY AT THE LOCAL

Is there any interest in getting together at the local to work on crafts? Send me an email and let's chat: vicepresident@cupwwpg.ca

TEMP WORKER'S CORNER PERSONAL DAYS + SICK DAYS + LEAVES

After 3 consecutive months of continuous employment, you get 3 PAID and 2 UNPAID PERSONAL DAYS. Personal days can be urgent (day of) or planned in advance.

After 30 days of continuous work, you get 3 PAID SICK DAYS. You also accumulate 1 sick day each month of continuous employment until you reach 10 IN TOTAL.

You are entitled to a minimum 2 WEEKS of vacation, UNPAID. Contact the employer to schedule this. You will be removed from the call log during this time.

Indigenous workers get 5 days UNPAID leave after 3 months of continuous work for traditional indigenous practices including hunting, fishing, harvesting, etc.

** You need to be on an ASSIGNMENT to use personal and sick days. Either a 1, 5 or 20+ day assignment.

CARRIER CLOTHING

Check out your Depot's lunchroom, or the local at 83 Sherbrook Street to find lightly used or brand new clothing. Article 34.04 says you will receive your clothing points within 35 days after your start date. Talk to a shop steward if it takes longer than that. Ask around to see what you should order, seasoned carriers will know and happily share their knowledge.

STEWARDS

You have the right to meet with shop stewards and can even file a grievance. When you pay \$5 and sign up as a CUPW member at the local, you have joined the union and have access to representation. Check the union boards for a Steward List or ask around the workfloor.
