TOWN HALL

The town hall was a success! There was a good turnout of CUPW members as well as members from the community. The meeting was filmed by our very own Trav Anema, a Letter Carrier from South West Depot who does photography and videography. Watch the video at www.youtube.com/watch?v=VUWOp_5ISV4 OR use this QR code.

Avi Lewis, Tracy Schmidt, and Leah Gazan were very supportive of keeping Door-to-Door delivery and fighting the cuts. The community was also very supportive, sharing their own stories about how vital our services are. We were also lucky to have our National President there to speak and address questions from the floor.

A big thank you to all that helped plan and execute the event! Another big thank you to all of the Letter Carriers who delivered the flyers to promote it.

We can't stop here. Please contact your MP's and let them know how you feel about the cuts! Visit www.cupw.ca/en/campaigns-and-issues/hands-my-post-office for more information.

CLC CONVENTION

CUPW put forward 2 resolutions at the convention. 1 of those resolutions called for the CLC to support the Hands off My Post Office campaign and to urge the government to stop the cuts. This resolution passed unanimously. We have the full support of the CLC and many allies from unions across Canada.
