Winnipeg Local received a call from former postal worker and current MLA and Minister, Tracy Schmidt. Tracy wanted to recognize and highlight the dedicated postal workers from the North East Depot for their service and commitment to the community. Representing our members were: Lesley Clarke (Router), Reece Houston (RSMC), Ernie Boily (Letter Carrier), Myron May, and Sean Tugby.

Upon arriving at the legislative building we were warmly greeted by Tracy's staff and escorted through parts of the building. Shortly afterward, we had the opportunity to meet with Tracy personally and take a group photo together.

Following our meeting, we were escorted to the Legislative Gallery, where we witnessed Tracy recognize the postal workers from the floor of the Legislature prior to Question Period.

As part of this recognition, Tracy presented us with a commemorative plaque containing the text of her statement. This plaque will be proudly displayed in our Local office.

It is encouraging to see postal workers recognized not only for the work we do, but also for the essential role we play in connecting Canadians and serving our communities.

On behalf of the Winnipeg Local, thank you to Tracy Schmidt for taking the time to honour our members and acknowledge the dedication of all postal workers.

Sean Tugby  
President, Winnipeg Local
