PICKET CAPTAIN BBQ

The Good and Welfare Committee wants to celebrate YOU! If you were a picket captain or volunteered on the strike lines, we want to formally invite you to a BBQ celebration on Sunday August 30th from 1:00-4:00pm. Check out your union board for more details.

RADDAR FLYERS

If you are delivering Raddar flyer bundles that are NOT folded, please meet with a steward to file a grievance. Member statements are important. Contact externalsteward@cupwwpg.ca for any further questions.

RSMCS - NEW CA

Personal days must be taken as full days with the current system. Once the depot transitions to the new work method, personal days may be taken in two-hour portions.

Are the terms of the now ratified Collective Agreement in full effect? If it is not indicated otherwise, then yes. The new provisions for the STDP program are not in effect yet.

MCDERMOT DEPOT RESTRUCTURE

Mcdermot Depot's restructure will be implemented on Monday, August 17th. The following positions will be deleted: 5 full-time letter carriers, 1 part-time letter carrier, 1 relief carrier, and 1 full-time router. One part-time router position will be added, the first of its kind nationally.

BUSINESS MAIL

While you're carrying, are you taking mail from the business that you deliver back to the depot as a curtesy? STOP. This service should be PAID for by the business.

CANVASSING

Would you be interested in door-knocking and saving door-to-door delivery? South West 3 and St. Norbert are both scheduled for Community Mailbox Conversion in September 2027. We will be canvassing St. Norbert on Saturday, July 25th and South West 3 on Saturday August 8th. Check out your union boards for more information. RSVP to vicepresident@cupwwpg.ca.
