COMMITTEE CORNER

Vehicle Sharing will begin at McDermot Depot on Monday, September 28, 2026. Please contact your local if you are experiencing wait times or any other issues.

COMPRESSED FLYER DELIVERY

After a long weekend, you'll notice you may have the option to deliver some flyers in two or three days. This usually happens with Canadian Tire flyers. To qualify for the higher compressed flyer pay rate, you need to deliver at least 50% of the flyers a day, not two portions a day.

Full colour portions do not have to be delivered to be paid the compressed rate, you just need to deliver at least 50% each day to get paid the extra two cents.

RESTRUCTURES

North East Depot 4/5 implementation date is September 21, 2026. Those who are declared surplus will be unassigned with some being sent to Church Depot to fill vacant positions.

Church Depot's implementation date is October 19, 2026.

KNOX DAY NURSERY

If need INFANT child care (between the ages of 12 and 23 months), CUPW has four reserved spots at Knox Day Nursery located at 406 Edmonton street. This is also subsidized for CUPW members, making \$10 a day even more affordable.

Please email knoxday@mymts.net with the parent's name, contact information, the child's name, date of birth, and state that you are a CUPW member.

UNION MGMT CONSULTATIONS - C/D

Issues noted in consultation on September 15, 2026:

- If routers notice there are a lot of thin mailers, hydro bills or any odd mail coming in their manual, let management know asap to get the issue resolved at the plant
- If meeting with a member as a steward, an equivalent amount of time should be removed from your route or paid as overtime
- Vehicle types for routes need to be adhered to with VRTO
- Missing dividers? Let management know
- Management will prepare a "Cold Weather Plan" with clear messaging to avoid issues like Dec 18 again this year
- If you have a full Mailbox on your route, let your supervisor know. They are to contact the customer and empty the mailbox
- When requesting the use of comp time, please give as much notice as possible. Requesting a full 40-hour week will need at least 10 days notice to staff properly
- Let your supervisor know if any CMB sites have sunken so that can be fixed before the cold weather comes

The next Collection & Delivery consultation is scheduled for October 20, 2026. The next WMPP consultation is scheduled for September 23, 2026.

Please email president@cupwwpg.ca if you have anything to add to the agenda.
