OCTOBER GMM

October's General Membership Meeting will take place on October 17 at 9:00am at the Bronx Community Centre. The agenda for the meeting includes Regular Order of Business and the Trustee's Report.

SLIP/TRIP TRAILER TRAINING

The trailer is now in Winnipeg and you should expect to be given a time slot to attend this training located at the Winnipeg Mail Processing Plant. The presentation is mandatory but the simulator is OPTIONAL. The local is recommending that members DO NOT participate in the simulator.

Management has made it clear that Letter Carriers will not be paid for this training. According to the LCRMS, our routes are already structured as 8 hours of work. Management has stated we will only be paid overtime if we work longer than 8 hours, but this isn't how it works. Keep track of the time you are leaving your route and when you return to your route. This is what you will be grieving as overtime. Request time with a steward or contact the local and we will make sure a steward finds their way to you. If time with a steward is denied that is a hindering grievance. If you are denied time you can use the online grievance form and make sure to include the hinderance in your notes.
