NATIONAL CONVENTION

Convention will take place May 17-21, 2027 in Toronto.

To be a delegate to National Convention:

- You MUST have attended Regional Conference
- Delegates are elected at a local's GMM
- Be in good standing

The election will take place at the December 5 GMM. Please attend this meeting if you would like to be a delegate.

FLYER COLLATION

According to the Collective Agreement, Appendix D reads: "In the preparation of neighbourhood mail Letter Carriers may choose to collate their neighbourhood mail if there are three (3) or more mailings for the same point of call type. This includes centralized points of call."

To be clear, Carriers have the option to collate their flyers if there are three or more flyers. If they choose to do so and find themselves working past eight hours, this is 15.08 overtime. Also, centralized points of call include Community Mailboxes, houses and Apartments.

Management cannot refuse you time to collate if you have three or more flyers! This is a grievance.
